Marassi Al Bahrain CruisePort/ Marina

Marassi Al Bahrain is a highly distinguished urban project, which combines a cohesive mix of residential and commercial properties, aimed at creating a sustainable township in Bahrain. Developed as a joint venture between Diyar Al Muharraq, one of the leading urban developers in the Kingdom of Bahrain; and Eagle Hills, this project is the first collaboration between the two leading urban development companies for the Kingdom.

Situated on the southern island shores of Diyar Al Muharraq, the development will feature two kilometres of waterfront and pristine sandy beaches, and will be among the most publicly accessible in the Kingdom. The development will be supported by the highest standard of infrastructure services designed to meet the needs of a vibrant community; conveniently situated just a few minutes away from the Kingdom's thriving business centre and airport, while being connected to the mainland via two major highways.

Marassi Al Bahrain will set the tone for energy efficiency, minimising waste and energy consumption through innovative design and carefully considered urban planning.

- Owner: Eagle Hills Diyar Company
- Developer: Eagle Hills Diyar Company
- Value: 3 Billion USD.

- Type of Developments:

Arcapita

A commercial building that houses the headquarters of Arcapita, Bahrain Bay Development office, Economic Development Board of Bahrain, Bahrain Mumtalakat Holding Company and other semi-government organizations. Arcapita features as one of the anchor developments and is the first developer to commence construction.

Four Seasons Hotel

Built on a private island that is accessed by causeway, boat or water taxi, the Four Seasons Hotel is one of the anchor developments of Bahrain Bay. Elevated on the 11th to 28th floors, the 273 extra-spacious hotel guest room's including 57 suite's all present sweeping views of the Manama skyline or the Arabian Gulf. The seven indoor-outdoor dining and drinks, include two signature restaurants and a lounge by Wolfgang Puck. Five swimming experiences and a light-filled spa with an array

of unisex and women's-only amenities elevates Four Seasons Hotel among Bahrain's best luxury resort destination.

ABG Tower

The ABG Tower, composed of two office towers, is the corporate headquarters of Al Baraka Banking Group, a leading international Islamic banking organization with a wide geographical presence in the form of subsidiary banking units and representative offices in fifteen countries.

- Upcoming developments/ expansions

Wyndham Tower

Uniquely designed as a twirling structure, the United Tower offers ultra-modern office space, luxury living apartments and the all-encompassing 260 room Wyndham Grand Hotel taking pride of place, filling 14 of the 50 floors.

Water Bay

Water Bay is a residential luxury apartment complex by Bin Faqih Real Estate Investment Co, one of Bahrain's leading real estate firms. Located in a prime location facing the Four Seasons Hotel, the yacht inspired buildings will feature three distinct 10-storey residences with around 600 luxury apartments, a retail floor and a common basement car park extending below the buildings. The development will be enhanced by a host of leisure facilities such as swimming pools, gymnasias, saunas as well as a wide range of supporting and restaurant outlets.

AXA Insurance Gulf

Commencing construction of their new regional head offices at Bahrain Bay, AXA Insurance Gulf is a recent entrant to the team of projects underway at Bahrain Bay. Enjoying a premium location overlooking the sea to the north of Bahrain Bay and bordering the western side of the main Canal, the building itself will be 32m high with 7 storeys above ground level and four basement levels for car parking. Other development poised to start soon are:

1. Golden Gates by Ajmera Mayfair Realty Group
2. Wafra Tower by Wafra Real Estate Group
3. The Rolex Tower by Nama International Real Estate

- Any other information you find relevant for Investors

Built on the fringe of a thriving commercial and business district of Northern Manama, Bahrain Bay is easily accessed from the Bahrain International Airport as well as the King Fahd Causeway that links Bahrain to the Kingdom of Saudi Arabia. The project is strategically placed just across the World Trade Centre and is

adjacent to the new, soon to be opened hyper-mall, Avenues Bahrain. With a completed infrastructure and public realm that includes landscaped gardens, public art displays and a waterfront promenade dotted with food and beverage kiosks, the area in recent times has been a popular venue for cultural and community events.
