

Canal View

Canal View is located in Dilmunia Island in Muharraq and has been developed over an area of 13,068 square metres. The luxurious property is walking distance from Dilmunia mall, located in proximity to Bahrain's main arterial roads, social infrastructure and the main airport.

The mixed use developments consists of 246 high end studio, 1-bed, 2-bed, 3-bed and 4-bed apartments including private gardens and approximately 35 retail and F&B outlets. Located on the most dramatic stretches of Dilmunia, this is canal-side living at its finest. In the heart of Dilmunia, the residences at Canal View are set in beautifully landscaped gardens, next to a sweeping canal promenade. Residents can also enjoy the benefits of an exclusive private club, incorporating a range of sporting and entertainment facilities. Dilmunia canal living does not get more sophisticated than this.

Canal View is nestled within The spectacular 1.6 km canal with dual pedestrian access which provides ideal spaces for retail and F&B outlets. Canal View is also a uniquely designed complex that features a breathtaking public park across the canal's footbridge. Other iconic installations include distinctive water features such as the waterfall footpath and fountain system.

Canal View's lifestyle features fountains as well as a main waterfall feature. An indoor pool, an outdoor pool, gym facilities, multi-sport court and club/ lounge facilities all set within the complex. Adding to the amenities, Canal View offers rooftop garden shaded space, kitchen BBQ facilities and 17 unique apartments with private garden space.

For resident-owners, investing with Canal View offers much more than the brick and mortar space that is defined by the boundary of a single apartment, it provides unlimited access to a lifestyle of luxury.
